The Honorable Ranking Member DeLauro
Ranking Member, House Committee on
Appropriations
U.S. House of Representatives
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Captain's Bay Road Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the City of Unalaska, located at 43 Raven Way P.O. Box 610 Unalaska, AK 99685.

The funding would be used for reconstruction and upgrading a key transportation corridor in the City of Unalaska, Alaska. The project includes roadway realignment, installation and extension of utilities, drainage improvements, lighting, pedestrian walkways, and paving of the currently gravel roadway.

The project is an appropriate use of taxpayer dollars because these improvements would greatly improve transportation access to key industries in Unalaska along with improving safety for its residents.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Nicholas J. Begich III".
